

Invest in the Future of Nevada's Most Precious Resource

Children are Nevada's most precious and valuable resource. They deserve to be protected and nurtured. Bridge Counseling is experiencing an increase in requests for services due to the limited number of agencies that provide crisis services and the high volume of families needing those services.

With a downturn in the economy, donations are decreasing to organizations such as Bridge. Job loss in Las Vegas means many people who donated last year are unemployed this year. Without insurance, families in crisis seek services from non-profits such as Bridge that provide services to the community at minimal or no cost.

In the past, the Las Vegas community has been generous in donations to people of few resources. We are hoping that pattern will continue. Please consider a donation to those who can benefit from life changing, family-focused intervention and treatment programs.

Child abuse prevention and family preservation are our main focus.

Treatment of families is essential. You can make a difference in the lives of children who are experiencing abuse or neglect. Make an investment in children's lives to improve their futures.

Won't you consider a donation to help at-risk children and their families? You can contribute to a specific program or to the general fund that distributes donations where funding is most needed. Mail a check to Bridge Counseling Associates, 1701 W. Charleston Blvd., #400, Las Vegas, NV 89102 or make a secure donation online at www.Guidestar.org Click on **Give to Charity** and follow prompts.
